*The fight against childhood cancer is a tragic one and your support will help us ensure that each child has the best chance of survival.*

Dear Dayne Angel

Thank you so much for riding on behalf of the little patients at the Red Cross War Memorial Children's Hospital. I hereby confirm that you will be participating in the 2018 Cape Town Cycle Tour on Sunday, 11 March 2018 as part of the Children's Hospital Trust charity team. Each charity rider has committed to raising a minimum donation of R2000 between now and 11 March 2018 to benefit the Upgrade of the Oncology Unit at the Red Cross War Memorial Children's Hospital. The Charity Team also helps to establish the profile of the Children's Hospital Trust as the leading, private paediatric healthcare funder of the Red Cross Children's Hospital.

The Oncology-Haematology ward at the Red Cross War Memorial Children's Hospital is a place that holds stories of courage, stories of survival, stories of loss and stories of unexpected triumph over this disease. The 21-bed ward is home to doctors, nurses and specialists who have dedicated their lives to helping their young patients fight cancer. But most importantly, it's home to the most remarkable children you will ever meet, children who fearlessly fight a battle most adults could not.

100% of all donations and funds raised will be used to upgrade and expand the Oncology ward at the hospital – not a single cost is used on admin fees.
